Facility Information

Indoor Covered Barn with dirt surface. Dogs are not to be allowed to eliminate inside the arena or on the building. There are grass areas around the barn to potty your dogs.

There is NO CRATING area for dogs inside, as we had to use the whole arena for the field. So please be prepared to crate your dogs in your vehicle. Bring your own chairs to come inside to watch.

All dogs must be kept in a vehicle, or on leash when not in the ring.

There are two portable toilets outside the barn.

There will be coffee/tea provided, but please bring your own snacks or any you'd like to share.

Competitor Information

This is a sanctioned trial following official UpDog Challenge event rules and regulations. For more information about UpDog and the games go to <https://updogchallenge.com>

If you want a record of your scores and achievements, you should 'activate' an UpDog Team registration at <https://updogchallenge.com> prior to entering the trial. This only costs \$3.00 and is based on one dog & handler combo – if the dog or handler changes, they need to be registered as a different "Team". You can activate your team after the trial as well, but if you do not activate your team your scores will not count towards achievements (UPs).

Age requirements: Frizgility – Dogs must be at least 12 months of age to enter. Freestyle - Dogs must be at least 16 months of age to enter. For all other games: No age restriction.

Food/ Toys: Treats/ cookies are not allowed on the field and may not be used as a lure or reward on the competition field. Use of a non-audible tug toy is allowed, to encourage a dog to return the disc. Tugging on the disc is allowed.

You MUST pick up after yourself and your dog. Anyone found not picking up after themselves or their dog will be excused from the match without a refund. **Please Do NOT allow your dog to eliminate inside or on the outside of the building!** If a dog eliminates on the field, time will not stop and you may finish your round, but the player is required to clean up after their dog as soon as the round is complete. However, this can make it tough for all dogs in future rounds, so please take care to walk your dogs so they eliminate outside prior to their turn.

Sick dogs/ Bitches in Season: If your dog is sick, please respect the other dogs and DO NOT attend the trial and seek veterinary attention. We will offer a refund with a veterinary note, however we will not offer a refund to any dogs we need to dismiss from the event site due to illness. Bitches in Season are permitted to compete provided they wear panties.

Safety shall always be of foremost consideration in actions and conduct by handlers at all times.

Handlers, through entry at this event, accept full responsibility for themselves and the actions of their dogs. Dogs must remain under control at all times and on leash while on show grounds. Only 1 dog (the one currently competing) will be off leash at a time. Dogs under 12 months of age need to keep feet on the ground (no jumping) when catching discs. Dogs must be able to stay under control off leash during their turn. Rollers are allowed for any dog in any game.

Collars and Leashes: Choke chains, prong or shock collars or other such training collars, will NOT be permitted on show grounds. Head halters are permitted on site but dogs may not wear the head halter while competing. All dogs must wear a flat collar with no tags in Frizgility. For all other games there are no additional restrictions on what collars, harnesses, vests, bandannas etc can be worn as long as the dog's movement is not restricted, and no safety hazard is posed. We do not recommend dogs wear any form of shoulder-restrictive harnesses while competing.

Awards: Medals will be awarded for 1st-3rd place for each game on each day. There will also be some additional awards handed out for top cumulative scores achieved across the weekend, you must be entered in both days to earn these awards, and the same dog can only earn one cumulative score award.

An officiating Judge and/or the Chairperson of the match may dismiss from the match site any person in breach of these guidelines or who is subjecting the Judge or members of the organizing committee to abuse, whether that person is competing or not.

Volunteers

For everything to run on time we rely on our competitors to volunteer and help us out throughout the day with set up, timing etc. So if we need a hand please step up so we can keep everything running on time! Everyone likes to go home early! ☺

GAMES:

Frizgility: A hybrid of disc and agility, this game involves collecting points by taking a series of jumps and a tunnel before heading out to catch a disc and doing this as many times as possible within a time limit!

4-way Play: A game involving your dog catching discs in each of the 4 corner areas as many times as possible before time runs out to earn the most points!

Time Warp: A distance and accuracy throwing game where your dog needs to catch one disc at each distance before running back and stopping the time to earn bonus points!

Spaced Out: A game involving your dog catching discs in 4 areas, while you have to throw from a zone chosen by a roll of the dice!

Freestyle: The premier presentation of teamwork, disc skills and showmanship! Teams develop a disc routine to music to showcase their skills and tricks!
