DATE

Entry is not valid unless signed, dated and received with the correct fees by the closing date.

PLEASE NOTE

All competitors are required to clean up after their dog. Anyone failing to do so, will be dismissed from the match with no refund. When not competing, dogs are required to be on leash. A crate or x-pen is strongly recommended. There is crating room inside the barn, or you may crate out of your vehicle. Dogs who are excessively noisy when crated should be crated in vehicles.

We will be using the AAC jump heights at this competition. If you are unsure of your dog's height, please see chart below.

Class Descriptions:

This match will be judged under AAC Rules. Complete rules can be found on the AAC website: www.aac.ca

Standard: A course that includes all obstacles; obstacles must be performed in order and in the time set by the judge.

Gamblers: Tests the dog's and handler's ability to work at a distance from each other. The object in Gamblers is to earn as many points as possible in the time allowed.

Steeplechase This class is focused on speed. There is generally more distance between the obstacles. Equipment consists of jumps, tunnels, weaves and an Aframe. Either the Aframe, or the weaves is done twice. The course is scored time plus faults.

Jumpers: A numbered course consisting of only jumps, tire and tunnels; obstacles must be performed in order and in the time set by the judge.

New Dog Height Divisions:

Division	Regular	Special	Veteran	DD
				Veteran
Mini	8"	4"	4"	n/a
Medium	12"	8"	8"	4"
	16"	12"	12"	8"
Open	20"	16"	16"	12"
	24"	20"	20"	16"

If you would like your dog to jump one jump height lower than they measure for, please circle "Special" class on your entry. Or "Veteran" if your dog is over 7 yrs of age or if they have competed in specials for more than a year and are over 5 yrs of age.
