# GENERAL CARO RALLY-O COMPETITOR INFORMATION

This is a titling event under CARO rules and regulations. CARO encourages participation by all dogs – purebred or mixed breed, pets or titled champions – who are at least 6 months of age. (Except for bitches in season or dogs with injuries or illnesses which may cause the dog pain or discomfort, or dogs exhibiting signs of aggression that threaten the safety of other dogs or humans.)

An officiating Judge and/or the Chairperson of the trial may dismiss from the trial site any person in breach of these guidelines or who is subjecting the Judge or members of the organizing committee to abuse, whether that person is competing in the trial or not.

**Rewards:** Upon successful completion of a “reward” station, the owner may choose to briefly pet or touch the dog as a reward. The owner may also choose to give the dog food as a reward (Novice and Advanced levels only). Food must be carried in the handler’s pocket opposite the dog and can only be present in the handler’s hand between exercises. Food may not be used as a lure to help the dog complete an exercise. No treat bags or active toys (i.e. squeaky toys) will be allowed. Any petting, touching, or feeding that significantly interrupts the flow of performance shall be scored accordingly.

**Physically challenged handlers:** are encouraged to compete. They should provide the judge with a written description of how they intend to perform any of the course exercises along with their entry form. The judge must approve and initial the modifications and attach the written description to the score sheet. Physically challenged dogs are allowed and encouraged to compete. The dogs must not show evidence of being in pain or discomfort. The judge shall excuse any dog that does so.

**Sick dogs:** If your dog is sick, please respect the other dogs and DO NOT attend the trial and seek veterinary attention. We will offer a refund with a veterinary note, however we will NOT offer a refund to any dogs we need to dismiss from the trial site due to illness.

**Bitches in season:** are not permitted to compete. If a bitch comes into season after the entry has been submitted, a Vet certificate, certifying the bitch was in season within the 10 day period preceding the Trial must reach the Trial Secretary on or before the date of the Trial, whereupon the entry fees will be refunded.

**Safety:** shall always be of foremost consideration in actions and conduct by handlers at all times.

Handlers, through entry at this event, accept full responsibility for themselves and the actions of their dogs. Dogs must remain under control at all times and penned or on leash while on show grounds.

**You MUST pick up after yourself and your dog.** Anyone found not picking up after themselves or their dog will be excused from both trial days without a refund.

**Collars and Leashes:** All dogs must wear a flat buckle or snap collar. Harnesses that are fixed (i.e. tracking, seat-belt, body harness) are permitted. Head halters, martingales, and moving harnesses (such as “no-pull” harnesses) and any harnesses that are designed to be correctional will be allowed outside the ring ONLY. Choke chains, prong or shock collars are NOT allowed at any DogWorks events. Leashes must be made of fabric or leather and be long enough to provide adequate slack. Hands free leashes are acceptable, but slip leads, martingale leashes, or extendable leashes are not allowed.

**Awards:** There will be qualifying ribbons awarded to each dog who achieved a qualifying score. Titling rosettes and “High in Class” rosettes will also be offered at the completion of judging.

## **Stream Definitions:**

\*The “**A**” stream is for handlers who are beginners and have never titled a dog in any sport. They have not instructed or assisted with dog training classes in any dog sport.

\*The “**B**” stream is for handlers who have worked a dog towards, and achieved, a title in any dog sport before, or have instructed or assisted in dog training classes.

\*The “**C**” stream is the Championship stream for a handler and dog who have completed Excellent or higher that would like to go back and achieve a Bronze, Silver, Gold, or Masters title.

**Dog ID:** Dogs must have a CARO registration number in order to compete. If you do not have a CARO number for your dog when you complete this form put “pending” for your number and fill out the CARO registration form through CARO’s website. It is the competitor’s responsibility to ensure they have a CARO dog ID number on the day of the trial.

**COVID INFO:** Masks are MANDATORY at all times inside our building. Please see the Covid info on the previous page and our confirmation for more details.
